RAGAS EVALUATION COMPLETED

STATEFUL CUSTOMER SUPPORT AGENT

TURN 1

Customer: Hi, my name is Sanjana. My order ORD-1001 has not arrived yet.

Issue: Sanjana is requesting to know the status of her order ORD-1001, which has not arrived yet.

Agent: "Hello Sanjana, thank you for reaching out to us about the status of your order ORD-1001. I'm happy to help. Can you please tell me a little more about your order, such as the date you placed it and the expected delivery date? This will help me provide you with the most accurate information about the status of your order."

Status: Resolved

TURN 2

Customer: I want a refund because I have been waiting too long.

Remembered customer: Sanjana

Remembered order: ORD-1001

Issue: Sanjana is requesting a refund due to excessive wait time.

Agent: Thank you, Sanjana. Your request regarding order ORD-1001 requires additional assistance. I have marked it for human support review.

Status: Escalated

CREWAI SUPPORT ANALYSIS

****Customer Support Recommendation and Next Action for Sanjana****

****Recommendation:****

I recommend that we offer Sanjana a refund for the excessive wait time she experienced. This will demonstrate our commitment to providing a positive customer experience and show that we value her time.

```

**Next Action:**

```

I will escalate Sanjana's request to our Refund and Compensation team, who will review her case and provide a formal refund. I will also offer to provide a prepaid return shipping label to facilitate the return of any unused products. Additionally, I will personally follow up with Sanjana to ensure that the refund is processed promptly and to gather feedback on how we can improve our wait times in the future.

=====
**Customer Support Recommendation and Next Action for Sanjana**

**Recommendation:**
I recommend that we offer Sanjana a refund for the excessive wait time she experienced. This will demonstrate our commitment to providing a positive customer experience and show that we value her time.

**Next Action:**
I will escalate Sanjana's request to our Refund and Compensation team, who will review her case and provide a formal refund. I will also offer to provide a prepaid return shipping label to facilitate the return of any unused products. Additionally, I will personally follow up with Sanjana to ensure that the refund is processed promptly and to gather feedback on how we can improve our wait times in the future.

**Additional Information:**
To ensure a smooth resolution, I will also review our wait time metrics and escalate this issue to our Operations team to identify any potential bottlenecks or areas for improvement. This will help us to prevent similar issues from occurring in the future and ensure that our customers receive the best possible service.
