The screenshot shows a VS Code window with the Explorer sidebar on the left containing 'requirement.txt', 'app.py', and 'SANJANA C A_RESUME.pdf'. The main editor area displays the content of 'app.py', which is a resume for Sanjana C A. The resume includes sections for Education (Garden City University, Bachelor of Engineering), Projects (Employee Management System, E-Commerce Platform), and a Profile section. The terminal window at the bottom shows the command 'c; cd 'c:\Users\Sanjana CA\OneDrive\Documents\CynarisInternship\WSD4_Semantic_Search'; & 'C:\Users\Sanjana CA\AppData\Local\Programs\Python\Python314\python.exe' 'c:\Users\Sanjana CA\.vscode\extensions\ms-python.debugpy-2026.6.0-win32-x64\bundle\libs\debugpy\launcher' '56934' '--' 'c:\Users\Sanjana CA\OneDrive\Documents\CynarisInternship\WSD4_Semantic_Search\app.py'' and the output of the script.

PROFILE
Aspiring Software Engineer and Information Science student with strong expertise in Java, Python, MySQL, and Data Structures. Skilled in developing CRUD applications, Python automation tools, and full-stack web projects. Seeking an engineering internship to apply technical problem-solving skills and gain hands-on software development experience.

LLM Answer:

This screenshot shows the same VS Code window as the first, but the terminal output has been scrolled down to show a summary of the resume generated by the LLM. The summary highlights Sanjana C A's role as an aspiring Software Engineer, her education at Garden City University, and her experience with various programming languages and technologies. It also lists her key projects and skills.

```

Seeking an engineering internship to apply technical problem-solving skills and gain hands-on software development experience.

LLM Answer:

Here's a summary of the resume:

Sanjana C A is an aspiring Software Engineer student at Garden City University, Bengaluru, with an expected graduation date of 2027. She has a strong background in programming languages (Java, Python), database technologies (MySQL), and web technologies (HTML, CSS, JavaScript). Her experience includes:

- * Developing a CRUD-based Employee Management System using Java, JDBC, and MySQL
- * Creating a full-stack e-commerce platform with responsive UI design using Python, HTML, CSS, JavaScript, and SQLite

Sanjana is skilled in data structures, exception handling, and has hands-on experience with tools like Git and GitHub. She is seeking an engineering internship to apply her technical skills and gain practical software development experience.
